

# RADIATION SAFETY GLASSES

## FITPROTEK

### FRAME INFORMATION

The radiation glasses FitProtek feature high quality, distortion-free SF-6 Schott glass radiation-reducing lenses with 0.75mm Pb lead equivalency protection. The FitProtek lead glasses have clear CE Certified Lens and weight 103 g. These safety glasses FitProtek are non-prescription, and meet ANSI Z87.1 safety standards. Made of high-quality plastic, it is a durable and lightweight wrap-around fitover frame. The FitProtek safety glasses feature rubberized temple bars. These Phillips Safety safety glasses are available in blue, gray, and pink.
