**PRODUCT INFORMATION**  
**IN USE LED SIGN**

The In Use LED Sign is a lightbox specifically designed to provide clear and visible notification when a room or equipment is occupied. This high-quality LED sign features bright illumination to ensure maximum visibility, even from a distance or in low-light conditions. The “In Use” message is prominently displayed, effectively communicating occupancy status and helping to prevent interruptions. Ideal for use in offices, medical facilities, conference rooms, studios, and any location where privacy and uninterrupted use are essential, the In Use LED Sign is an essential tool to enhance efficiency and respect for privacy.
