PRODUCT INFORMATION
CT IN USE LED SIGN

The CT In Use LED Sign is a lightbox specifically designed to provide clear and visible notification when a CT scanner is in operation. This high-quality LED sign features bright illumination to ensure maximum visibility, even from a distance or in low-light conditions. The “CT In Use” message is prominently displayed, alerting individuals to the operational status of the CT scanner and the associated safety precautions. Ideal for use in medical facilities and imaging centers, the CT In Use LED Sign is an essential safety tool to help protect patients, staff, and visitors.

SPECIFICATION

SIZE: 311.20mm x 193.30mm
