**PRODUCT INFORMATION**  
MAGNET ON LED SIGN

The Magnet On LED Sign is a lightbox specifically designed to provide a clear and visible warning for radiation rooms. This high-quality LED sign features bright illumination to ensure maximum visibility, even from a distance or in low-light conditions. The "Magnet On" message is prominently displayed, alerting individuals to the presence of a magnetic field and potential hazards within the area. Ideal for use in medical facilities, research labs, and any location where magnetic fields and radiation are present, the Magnet On LED Sign is an essential safety tool to help protect personnel and maintain compliance with safety regulations.
