PRODUCT INFORMATION
LASER ON LED SIGN

The Laser On LED Sign is a lightbox specifically designed to provide clear and visible notification when laser equipment is active. This high-quality LED sign features bright illumination to ensure maximum visibility, even from a distance or in low-light conditions. The “Laser On” message is prominently displayed, alerting individuals to the operational status of laser equipment and the associated safety precautions. Ideal for use in medical facilities, research labs, industrial settings, and any location where laser beams are used, the Laser On LED Sign is an essential safety tool to help protect personnel and ensure compliance with safety regulations.

SPECIFICATION

SIZE: 311.20mm x 193.30mm
